

Boswellia Carteri Essential Oil

Boswellia Carteri Essential Oil starts with our directly sourced NOP certified oleo gum resin which is then hydro-distilled in small batches resulting in the most exquisite essence we've experienced. A magnificent anti-inflammatory with an unmatched scent, this pale yellow oil is slightly sweet and woody. Rub it into sore joints or wherever you feel discomfort. The aroma of Boswellia carteri has shown to be calming and centering. Just a few drops in a diffuser or small bowl of hot water will change the demeanor of your space.

- 100% organic distilled essential oil
- Healing properties: Anti-inflammatory, calming & centering
- Cosmetic uses: natural perfume, reduce blemishes via topical use

A remarkable anti-inflammatory and relaxing scent, Boswellness Carteri Essential Oil contains no synthetic or chemical ingredients. Just pure distilled essential oil with the health and mood benefits of frankincense.
