

Boswellia Carteri Resin

Boswellia Carteri Resin is our directly sourced NOP certified oleo gum resin harvested in the hills of Eastern Africa. Where this reddish to pale yellow resin shines is in promoting joint health. Grind into a powder for use in baking, for teas, or to make capsules.

- 100% organic, wild-harvested gum resin
- Healing properties: Anti-inflammatory
- Other uses: incense

A timeless incense and natural remedy, Boswellness Carteri Resin is directly sourced from the tree to you with no additives or alterations.
